Our UIIT

- The UIIT provides state of the art technology exposure to its students with special emphasis on hands on experience through live projects beginning from the very first semester of study.
- The campus is fully Wi-Fi enabled for all time connectivity of the students.
- Located in the premises of the HP University campus which has a long tradition of excelling.
- A full fledged Engineering Institute is on the verge of completion, thus providing even more facilities.
- The All India Entrance Examination shall now be conducted in even more cities outside the state.
- The institute boasts of excellent past placements record.
- The UIIT library provides the latest & best editions of the various IT/ Computer related journals and e-resources.
- Students are regularly evaluated through periodical exams, quiz competitions, seminars, assignments and projects.
- Sharing of the alumni experiences are an important part of interaction with the present students.

The UIIT main block

Invitation

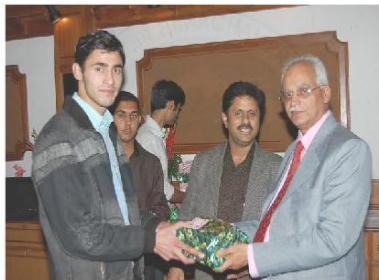

- The UIIT has an impressive previous placement record with students having bagged placements in a very wide spectrum of prestigious organizations.
- Now we invite you to please consider our students for your service. The enclosed CD, which has been exclusively created by the batch students contains the complete details of the students ready to enter the challenging world of the IT industry.

Pedagogy

"If you give a child a fish, you feed him for a day
But if you teach him fishing, you feed him for a lifetime."
- a Chinese proverb
